We are the SCOTUS Six, And we're all originalists. That means that we're a special kind Who can read the founders' minds, And work out what they thought Back when our laws were wrought. We'll impose our view on all of you; Your opinions matter nought.	C F F G C F FC G	C C C G C C FC C	A A D A D A E E A A D A DA DA E A
For example, We Six know When they set the status quo, And passed the Bill of Rights In the glow of freedom's light, The founders knelt in prayer, And then they did declare: "The soul of the nation is the corporation; Real people will have to share." chorus: Oh you can't fire us; we're here for life – Through peace and strife – here for life. We'll adjust your rights as we see fit, 'Cause here we'll sit; and we'll not quit.	F C F C	F F C C G G C C F C C C G G C C C	D D A A A E E A D D A A A E E A A
Since citizens were all free men, Human rights way back then Did not apply to women, Nor to blacks or to the Indian. That's why we've set our sights To reduce their basic rights – We want our way and so we say White men are at the height.	C F F G C F FC G	C C C G C C FC C	A A D A D A E E A A D A DA DA E A

Though Donald Trump's a crook, The idea that the justice book Can ever apply to him Is just a silly whim. Judge Cannon is his hack, And We Six have his back – We'll do our thing for the far right wing And the leader of its pack.	C F F G C F FC G	C C C G C C FC C	A A D A D A E E A A D A DA DA E A
So to those of you who think That the country's on the brink Of a leftist overthrow, Be assured that it's not so. We've an idea that you'll like, And we're ready now to strike – A fascist state will make us great As it did for the German Reich.	C F F G C F FC G	C C C G C C FC C	A A D A D A E E A A D A DA DA E A
