

# Disappointment

As a toddler i so admired Popeye  
I even gave spinach a try.  
But something went wrong;  
It didn't make me strong.  
And I couldn't understand why.

Disappointment came that (one) day,  
Much to my dismay.  
My world had turned,  
But a lesson was learned; and i  
Continued along my way.

Later, my heroes were cowboys.  
Especially Randolph Scott.  
I excitedly went  
To each film event,  
But his movies were best forgot.

In high school i fancied a hot babe  
I was grateful to get a date. But  
I'll remember evermore;  
What an awful bore.  
Intelligence and looks don't relate

For decades i patiently waited  
The return of Halley's comet.  
When it did occur,  
'Twas a tiny blur!  
As letdowns go, my biggest yet.
