

Farewell to my life; i've enjoyed almost all.
 Intriguing it's been to follow the call. Though
 I have unfilled wishes, my regrets, they are few.
 Farewell wondrous life –
 My time is approaching
 And soon i must go.

Farewell, dearest darling, i've loved you in life.
 My happiness blossomed with you as my wife.
 We shared many waltzes in our marvelous ball,
 And though we had trials, we danced through them all.
 Farewell, dearest darling –
 My time is approaching
 And soon i must go.

Farewell to my friends; we've had a good run.
 As companions in life, you're exceeded by none.
 Some are now memories, and some of you live,
 Farewell to you all –
 My time is approaching
 And soon i must go.

Farewell, my dear brother, our world's nearly done.
 In my memory, our childhood together was fun. Though
 Later our shared times were entirely too few,
 Farewell my dear brother –
 Our time is approaching
 And soon we must go.

Farewell, darling sister, you've grown to me dear.
 You've added so much to my experience here. Of your
 Splendid progression, i've been very proud;
 Farewell, darling sister –
 My time is approaching
 And soon i must go.

Farewell, beloved country, i'm concerned for your health.
 Your precious traditions are threatened by wealth.
 Disdain for compassion troubles me most,
 And haunts, i feel certain, Thomas Jefferson's ghost.
 Farewell, beloved country –
 My time is approaching
 But may *you* not go.
