

The Winter Ponderer

Ron Greene tune of "The Happy Wanderer"
by Friedrich-Wilhelm Möller

4/4

I love to go a-wandering	A	A		
Out in the winter wood	A	E		
To breathe the air, so crisp and fair	E	A		
I'd stay there if I could	DE	A		
Valderi, valdera ... ha ha	E	A	E	A
Valderi, valdera	E	A		
I'd stay there if I could	DE	A		
I like to ponder thoughtfully	A	A		
The lovely mountain views	A	E		
How powdery snow, with haunting glow,	E	A		
A wonderland renews	DE	A		
Valderi, valdera ... ha ha	E	A	E	A
Valderi, valdera	E	A		
A wonderland renews	DE	A		
When darkness comes, I'm often drawn	A	A		
By nature's beck'ning cry	A	E		
Out to the night, where stars so bright	E	A		
Reveal the endless sky	DE	A		
Valderi, valdera ... ha ha	E	A	E	A
Valderi, valdera	E	A		
Reveal the endless sky	DE	A		
I'm glad to live in this great place	A	A		
With nat-ur-al delights	A	E		
Where winter clime at solstice time	E	A		
Surrounds us with such sights	DE	A		
Valderi, valdera ... ha ha	E	A	E	A
Valderi, valdera	E	A		
Surrounds us with such sights	DE	A		
So let us now all raise a toast	A	A		
On this wintry eve	A	E		
That we're all here to share the cheer	E	A		
Once more before we leave	DE	A		
Valderi, valdera ... ha ha	E	A	E	A
Valderi, valdera	E	A		
Once more before we leave	DE	A
